Key Personnel:

Michael Sands: Michael Sands is the principal of SCG, and is a majority owner and fully controls the corporation. He has twenty-five years as an Army officer and has worked in defense intelligence for most of his career. Mr. Sands' experience in the public sector includes over 20 years in defense intelligence as both an active duty and reserve Army Officer, which included significant project management responsibilities. He led various project efforts ranging from software development to the creation of new organizations. As a consultant, Mr. Sands has supported both CMMI and ISO 9000 interventions. He also provided over 5000 training contact hours to both public and private organizations in project management, quality management and a variety of other training programs. Mr. Sands electrifies audiences with his engaging style, humor and personal accounts from his vast experience. Michael Sands has a MA in Organizational Management from University of Phoenix and a BA in Psychology from Indiana University of Pennsylvania. He is certified as a Project Management Professional through the Project Management Institute.
